Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

POMPEII AWAKENED: A STORY OF REDISCOVERY

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Pompeii Awakened: A Story of Rediscovery, Judith Harris, The rediscovery of the Roman cities overwhelmed by the rage of Vesuvius is one of history's most extraordinary adventure stories. Pompeii Awakened revels in that adventure, and tells of the re-emergence of a long-vanished cosmopolis which profoundly inspired a later age - from its arts and architecture to its science, sex and religion. When Herculaneum, Pompeii's sister in disaster, was located in 1709, that first discovery launched a frenzied scramble for buried treasure. Then in 1755 Pompeii too rose from its crust of volcanic rock, and the science of archaeology was born. Whereas Herculaneum had artistic, political and philosophical impact, the later discoveries at Pompeii spoke rather of domesticity - of cuisine and household architecture, tools, gardens and religion. To this day it is the only site to show what daily life was like in antiquity. However, the full story of Pompeii consists not just in its uniquely preserved classical villas and votives, but in the powerful response it evoked in the European cultural imagination. Here are the English, whose wealth, wet weather and classical education fostered a passion for Naples and its rediscovered cities. We read of Sir William Hamilton discussing priapic cults with his near neighbour, the dilettante Richard Payne Knight, and of how the famous love affair of Emma Hamilton and Admiral Nelson saved the Herculaneum papyri from the French. Here too are the hosts who arrived from across Europe, and then from America - engineers and artists, dreamers and poets, photographers and cinematographers, whose reconstructions and remembrances of Pompeii have never ceased to resonate. Judith Harris brings the doomed city vibrantly to life. Pompeii breathes again through her account of the diverse people who sifted through its...
