Ethics in Global Health: Research, Policy and Practice (Hardback)

By Professor of Bioethics in the Department of Epidemiology and Social Medicine Ruth Macklin

Oxford University Press Inc, United States, 2012. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. This is a collection of Ruth Macklin s previously published articles that appeared in scholarly journals or as chapters in books. Dr. Macklin s pioneering work in ethics and global health spans more than two decades. The articles in this volume range from a chapter in a book published in 1989 to a journal article currently in press. The essays fall into two broad categories: policy and practice, and multinational research. Topics in the first category include cultural beliefs and attitudes regarding family planning, long-acting contraception, abortion, and more broadly, policies and practices affecting women s health. Two essays dealing with justice focus on HIV/AIDS: how developing country governments might distribute medications fairly to all who are in need; and what obligations do industrialized countries and world leaders have to provide affordable medications to developing countries. A theme that runs throughout the essays is a defense of the universality of ethical principles, despite cultural differences that exist around the globe. The section on multinational research includes articles on international ethics guidance documents, such as the Declaration of Helsinki; discussion...
