Egmontusa, United States, 2015. Hardback. Book Condition: New. 208 x 142 mm. Language: English . Brand New Book. A debut fairy tale reimagining featuring a strong female character and a daring quest just right for fans of Shannon Hale, Jessica Day George, and Gail Carson Levine. Saville hates sewing. How can she not when her father, the Tailor, loves his bolts of velvet and silk far more than he s ever loved her? Yet, when he is struck ill shortly after they arrive in the city of Reggen, Saville must don boy s clothes in the hopes of gaining a commission from the king to keep them fed. The kingdom is soon on edge when stories spread of an army of giants led by a man who cannot be killed. But giants are just stories, and no man is immortal. And then the giants do come to the city gates, two larger-than-life scouts whom Saville cunningly tricks into leaving. The Tailor of Reggen is the hero of the kingdom, the king promises his sister s hand in marriage, and by the time Saville reaches the palace doors, it is widely known that the Tailor single-handedly killed the giants. When her secret--that she s a girl--is quickly discovered by Lord Galen Verras, the king s cousin, Saville s swept into the twists and turns of court politics. The deathless man is very real, and he will use his giant army to ensure he is given the throne freely or by force. Now, only a tailor girl with courage and cunning can see beyond the tales to discover the truth and save the kingdom again. Valiant is a rich reimaging of The Brave Little Tailor, artfully crafting a story of understanding, identity, and fighting to protect those you love most. Releases simultaneously...
